

INFORMATION FOR WATER CUSTOMERS

On the first of each month you will receive a bill from the Town for water usage. Readings are from the 15th to the 15th of the month.

You are billed per gallon of water. There is also a minimum bill each month. If you use less than the minimum number of gallons for the stated meter size, you will receive a minimum bill.

Your bill reflects charges for more than just water. There are fees on your bill for sewer usage, stormwater and for trash collection. If you have any questions about specific charges please call the Clerk-Treasurer's office at 279-2216 ext. 1.

Hours are: 8:30-4:00, Monday through Friday.

You may pay your bill in person, by mail or by dropping payment in the drop box located on the building by the door. You may pay with cash, check, or money order. We now accept credit and debit cards. A 3% or \$2 minimum convenience fee will be

added to your charge for each payment. For your convenience you can make your payment online at the Town website.

To make an online payment go to: www.wolcottindiana.org Home page you will need to know your account number or have your bill in front of you.

Trash pickup is on Thursday, trash needs to be out by 6:00 am. Trash must be bagged, even in a receptacle.

You may put out at noon on Wednesday; but all receptacles should be removed from curb side by dusk Thursday night. The holidays observed by our current trash company are New Year's, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. If those holidays fall on or before Thursday trash will be picked up on Friday. If you have a large item to be picked up you must call Advanced Disposal at 888-583-8727. A recycling trailer is located on the northwest corner of Second and Scott Streets for your recycling convenience. This is provided by White County Recycling.
